Their rendition of Get It On (Bang A Gong) was immediately placed into 20th Century Foxs movie Someone Like You. The song fuses modern pop sensibilities with Marc Bolans timeless pop moment with a kick-ass rap from frontman Daz, accompanied by a dance floor-filling groove and a middle eight kazoo solo!, and contains all the hallmarks of London Bus Stops previous UK successes. The accompanying video Get It On (Bang A Gong), uses original Marc Bolan footage taken from a T.Rex Top Of The Pops UK TV performance, in which, to stunning effect, computer technology puts Daz of the group right there on stage with Marc Bolan and T.Rex. Groovin Movin captures a raw gutsy rock feel, coupled with a progressive pop approach. This song was featured in the film Extreme Dating and ice hockey video game entitled NHL Hockey 2003. Comin Home truly highlights the groups captivating and gifted Top 40 song writing ability and pop music delivery.
