A classic record full of summer atmosphere", "catchy melodies with delicate popsoula classic pop-production". 10 MP3 Songs POP: Beatles-pop, POP: British Pop Details: POPIUM: The Miniature Mile - New US release from Listening Post Music - includes bonus tracks - Suits My Soul and Two Bonus Videos Popium began as a supergroup in 1999 each member had previously played in other successful bands such as Barbie Bones, Pogo Pops and Chocolate Overdose. The band has since released FOUR albums in Norway and Scandinavia to tremendous reviews. Their last release is The Miniature Mile and it bui;s on their previous work with a mixture of upbeat melodies and soft ballads, sometimes supplmented by tasteful string arrangmenets. Their previous album, Camp (2004, Kong Tiki Records) has been described as " a solid work of quality pop songwriting", " a classic record full of summer atmosphere", "catchy melodies with delicate popsoula classic pop-production". Songs from previous Popium records have been used in film and television in both Korea and Japan, and songs from "Camp" have received airplay on Los Angeles alternative radio 103.1 FM. Singer/songwriter Frank Hammersland has long been one of Norways most accomplished songwriters, drawing influence at an early age from the likes of Elvis Costello and T-Rex. Popiums music shows traces of not only glamrock, but also classic sixties pop, eighties rock and lately a smidgeon of Motown check out "Sooner or Later" from the album Camp - it was featured both in the movie and on the soundtrack of FEVER PITCH. Check out Popium;'s other cd's - Self titled (Popium) Permanently High, and Camp.
