Lyrics: Now is the time to fight for peace, For there's darkness in the sky And the earth begins to scream her pain! We would be foolish to forget All the pain which we have met, But the time has come to save our world. Chorus: For it's written in the stars. Could we have gone too far? If earth should have her way Would she shelter us or would she seek revenge for all the scars That we've made in her face? We've got to make it right; Sow the seeds of peace Before Earth hides her light! Terrible is war for there is no true way to win. We must seek to put an end to hatred's evil twin! Only as one can we conquer anything. If we have love, hope and faith Even heaven will support us... _____ Credits Lyrics
