Details: How do you sum up Johnny Boyd? WOW! Timeless. Inspirational. Sophisticated. Refreshing. (to start). After a highly successful seven-year stint as the frontman for Indigo Swing, more than 100,000 albums sold, 1,100 live performances around the world, and a dozen song placements in movies and television, Boyd decided to go solo. "Last Word In" marks his sentimental return to popular music, with a swingin' vibe that is sophisticated and fun. "Last Word In" contains twelve fresh tracks written by Boyd, pairing his signature plaintive vocals with timeless themes, brimming with honesty and optimism. Written mostly from an introspective angle, Boyd offers up a more intimate side of himself with these songs than with his previous Indigo Swing contributions, and while autobiographical, succeeds in striking common ground with listeners on a multitude of emotional levels. Full of decisions made, lessons learned and appreciation of the gifts you already have, every track on "Last Word In" is delivered by Boyd's sincere desire to engage his audience with personable, toe-tapping songs, further showcasing his comfortable singing style and deepened songwriting talents.
