Traditional to modern country, this boy is good. 13 MP3 Songs COUNTRY: Modern Country, COUNTRY: Traditional Country Show all album songs: Josh Brown Songs Details: Josh Brown is a singer/songwriter with a very unique yet classic, pure country voice AND the good looks of a born star. Originally from western Massachusetts, he decided to make the move to the Nashville area in 2003 after singing country music almost all of his life and having had his own bands, as well as developing a large following and fan base in Massachusetts. Since Josh has been in Nashville he has played writers nights, won competitions, sung demos, made appearances at some of the clubs on Broadway and the Bluebird and Commodore with hit songwriter Gerald Smith, and has received rave reviews. Josh would be an asset to ANY record label because he has the talent, the looks, the drive AND the personality to just step right out on any stage and wow audiences, and anybody would be proud to say they are associated with him.
