"That Jimi Hendrix is due respect, gratitude, or affection comes as no surprise. Hendrix reinvented the electric guitar as we know it today, and there is scarcely a player who plugs a Fender Strat into a Marshall amp that doesn't owe the master a debt. To pay a musical tribute to the man, or in this case, to play a tribute to him, is a tall order- like writing a sonnet for Shakespeare. So when the veteran R&B band Oreo Blue decided to become the Oreo Blue Experience Tribute To Jimi, they approached the project with a profound appreciation for both the technical skill and the spirit of the late, great Hendrix. The bands' desire to evoke the freedom and electricity of a Jimi Hendrix performance is attained by a rare combination of musical talent and beyond-the-boundaries risk-taking. The result is not mimicry or a

paint-by-numbers greatest hits set, but a highly creative, emotional performance that embraces the familiar and the obscure, the subtlety and the bombast of The Experience." -Tim Jones / Porter Entertainment- "The Oreo Blue Experience" is a definite Jimi Hendrix Oreo Blue fan pleaser capturing the raw energy a Hendrix show on tape in the unmistakable Oreo Blue style.
