German polka 22 MP3 Songs FOLK: Traditional Folk, EASY LISTENING: Polka Details: The Black Forest Two hundred kilometers long and sixty kilometers wide, the Black Forest in Germany, with its varied activities, is probably one of the most popular and well known holiday regions of the Continent. The Black Forest maids, cottages, the Black Forest Gateau, Bollen hats and cuckoo clocks present the German culture and the German character as the world would assume the people to be. The region is also home to many of the great musicians in Germany. Marching bands, polka bands and great musicianship demonstrate much of whats good about Germany. We hope you will enjoy this collection of selected music of the area. All songs have been digitally remastered by the elite engineers of Sound House Records, Germany. wespo-gmbh.de schwarzwald-tourismus.info/ People who are interested in should consider this download.
