Produced by George Clinton, Kendra is a lead vocalist with The PFunk Allstars. This finger lickin' laid-back CD is funk alternative. Check out "Bounce to This" featuring GC. THAT mutha's off da' gizmo, f'real 'tho. Don't sleep... 11 MP3 Songs URBAN/R&B: Funk, ELECTRONIC: Pop Crossover Details: An ingenious mixture of smoky, late night, trippy Jazz, buzzy, suggestive, sensual Soul and lightly driving, deep-running funk, this album places itself with some of the favorite CD Baby indie groove albums, including Moonraker, as well as the big label women Erykah Badu and Jill Scott. With her proud but coy vocals she can go from R&B funk to laid back seductive jazz soul in a heartbeat. If you're needing a soundtrack for the lava lamp, this is it. -- CD Baby
