Related styles: WORLD: Native American, SPIRITUAL: Spirituals Details: With his smooth melody and charming expressions. Award winning artist Eli Secody chants his way into your heart with his hand drum. Sunrise Love - happiness with wifey over coffee - reminds that the wifey is valuable. You have to love and appreciate her. Share a relaxing moment over a cup of coffee with her. A Native Navajo born and raised in Page, Arizona. Eli Secody recorded and released his very first independent album, "Shinaana-Harmonized Prayer Songs of The Native American Church" in 2001. In 2002, Secody recorded and released his second album with Canyon Records, "Following Generation". Secody released his third album in 2003, which would be his second independent album in his career. This was the release of the critically acclaimed, "Butterfly" which thousands were sold. Secody earned his first NAMMY (Native American Music Awards) nominations with this album. In 2005, "Butterfly" was nominated for "Best Traditional Recording" and Secody was nominated for "Best Male Artist". Among hundreds of other Native American Singers, Eli Secody was named "Best Male Artist" at The 2005 Native American Music Awards in Hollywood, Florida.
