

# Bad Taste Movie

[DOWNLOAD HERE](#)

Jackson's first feature was Bad Taste, a low, low-budget horror comedy movie made over two years about aliens killing humans for their fast-food business back in space. No real plot, no real actors, no real crew. Only an insane imagination and devoted friends willing to help out. There's not even much of a script, because what Jackson sets out to do is sicken his audience with some of the most gruesome deaths ever seen and make them laugh until the back of their heads fall off. And he succeeds.
