

Mp3 Shrimp City Slim - Gone With The Wind

[DOWNLOAD HERE](#)

Rockin' blues from South Carolina. After years touring with the likes of Chicago Bob Nelson, Big Boy Henry, Neal Pattman, and others, Shrimp City Slim formed his own tough blues unit and released this album. 14 MP3 Songs BLUES: Chicago Style, ROCK: Rockabilly Details: This is one of the hottest blues CDs ever to be released in the Carolinas. Recorded in ten torrid hours, this is basically live in the studio with few overdubs. Shrimp City Slim rocks the house from behind the acoustic piano, with fiery backing from Juke Joint Johnny (harmonica), Silent Eddie Phillips (a variety of acoustic electric guitars), and the Blue Light Special rhythm section (Niver Hiers). If raw modern blues with a melodic twist is your cup of tea, you'll really enjoy this CD.
