

Mp3 Steve Sosa - Day's End

[DOWNLOAD HERE](#)

Fans of William Ackerman and Alex Degrassi will enjoy this meditative, relaxing album wonderfully performed by Steve Sosa on solo acoustic guitar. 9 MP3 Songs NEW AGE: New Age, FOLK: Gentle Details: Having the unique style of such Windham Hill artists as William Ackerman and Alex Degrassi, Steve Sosa's guitar playing is also mixed with a touch of Jimmy Page's (Led Zeppelin) and Steve Howe's (Yes) acoustic style. Steve's melodies paint beautiful pictures in your mind while still being able to capture the imagination of all aspiring guitarists. After years of playing coffee houses and dreaming of making an album, Steve has finally made his dream come true with his debut album "Day's End", released on Rhythm Signal Records and Productions. One listener, Kathy, described "Day's End" best before she even knew the name of the album. "This is something I would listen to at the end of the day when I'm sitting on my front porch watching the sunset." Special guests appearing on this album are Nathan Diekman on cello, Thomas Fucik (from the band Rhythm Signal) on percussion and Jason Anderson (also from Rhythm Signal) on fretless and six string bass. Produced by Jason Anderson and Steve Sosa Tracked and mixed by Jason Anderson
