

Mp3 Stella Benson - Healer's Way Volume I, Soothing Music For Those In Pain

[DOWNLOAD HERE](#)

Medieval chant, ancient melodies and Celtic music create a serene and therapeutic audio-sensual experience. 11 MP3 Songs in this album (45:08) ! Related styles: NEW AGE: Healing, NEW AGE: Meditation Details: Stella Benson, certified healing musician, composer, and author on the subject of healing music, has played therapeutic music for hundreds of patients in clinical and private settings. Founder and Director of the International Healing Musician's Program and former executive director for the Music for Healing and Transition Program, Stella Benson is a leading educator in the therapeutic music field. Beginning her healing music journey in 1992, Ms. Benson has provided healing music services to AIDS, oncology, and hospice patients, their families and loved ones. A pioneer in promoting healing music, her healing music recordings, educational books, and her international on-line program have proven to be invaluable to musicians, patients, and healthcare providers internationally. Her music has helped patients and their loved ones even after all medical intervention had been exhausted.
