Voice Lessons To Go! is a great way to get going on your singing voice. Whether just beginning or as an addition to the work you have done. Now there is no excuse not to practice and improve because this CD makes it so convenient and easy. Do Re Mi Ear and Pitch Training is the second CD to Ariella Vaccarino's series of Voice Lessons To Go (Please read about Volume One- Ocalize and Breath). Do Re Mi trains the ear through vocal exercises. First, start simple with tone recognition. Next, the heart of the CD, Solfedge, (Do Re Mi...)- In that you will concentrate on forms of the major and chromatic scales graduating into chord recognition. Finally, Do Re Mi ends with, Hearing Your Note, showing you how to sing specific notes out of a group. This CD will be amazing in aiding you in your musicianship skills while continuing to strengthen your voice! Do Re Mi is perfect for all levels of singers. Whether you are just a beginner who is interested in developing as a musician, or an advanced singer wanting to refine your musicianship skills. You will be guided through the exercises with vocal examples and piano accompaniment by Ariella Vaccarino an excellent experienced voice teacher and professional singer from Los Angeles. Ariella's explanations are clear and easy to follow. Developing your singing voice no longer has to be just for people trying to make a career with their voice, or those with disposable income who can afford private lessons. The weekly price for voice lessons averages \$45-150 an hour depending on your city. Who is this CD for? Singers, Actors, Dancers- This is an inexpensive way for the struggling artist to get and keep their voices in shape. Teenagers - Whether you are watching American Idol with pangs of desire to be on there, sing loudly along with your favorite pop stars, are trying out for the school musical, or dreaming of singing at the MET some day. People who struggling singing- There are those out there who feel, (it could be true or not) that they can't sing and are embarassed when they have to be heard by others. This is an excellent private way to improve your singing with out having to deal with

embarrassment or shyness. This CD will increase your abilities and confidence. Adults- Always singing in your car, shower, or doing Karaoke? -but just are not willing or able to shower yourself with private lessons yet. Ariella Vaccarino has been teaching Voice and Piano for over 12 years in the Los Angeles area. She is an accomplished Opera singer, having studied voice at USC. Ariella has also performed on many movie sound tracks. You can learn more about Ariella Vaccarino at her website: SheSingsOut.com
