Classic Christel Nani NY style teaching. 8 MP3 Songs in this album (66:38) ! Related styles: NEW AGE: Energy Healing, SPOKEN WORD: Inspirational People who are interested in Caroline Myss Louise Hay should consider this download. Details: Christel Nani, RN Medical Intuitive One of the rare Medical Intuitives with medical training, Christel Nani is a highly trained clairvoyant New York ER/Trauma nurse with more than 16 years of experience. Working remotely with clients around the globe, her Readings are an energetic diagnosis of the energy system showing clients exactly why they became sick or stuck in life, and the Priority Task that will resolve it. Her Readings contain a concise healing plan that always includes specific ways for you to raise your vibration and end your conflicts. Christels first Positivity Guide is now available on CD! The Confidence Code reveals Christels Positivity Techniques and habits of confident people. Your self-esteem will grow quickly and easily as you practice the seven positivity techniques and listen to the brief morning or evening meditation. As per her style, Christel has given detailed yet simple steps to raise you vibration and feel more poised and self-assured.
