

Introduction To Spanish For Kids

[DOWNLOAD HERE](#)

spanishforkidscd(Official Website) Teach your kids spanish with a basic cd course that goes step by step through the basic vocabulary, sentences and expressions needed in everyday life. Your children will learn basic greetings and how to carry on simple conversations in Spanish! Now children and parents can interactively learn Spanish together. Our Spanish lessons are designed to engage parents and children in a cooperative, enriching experience that also results in both parties learning Spanish through the fun learning of Spanish grammar and Spanish verbs, idiomatic expressions... everything children and parents need to speak Spanish, and speak it well. Our lessons provide a great resource for Spanish for beginners and Spanish for kids . The rewarding aspect of this interactive parent-child learning experience is priceless and unforgettable. If at home, children and parents can learn new words together and perform the dialogues and exercises following the pronunciation and intonation from the accompanying CD. Naturally, a combination of school preparation and family activities will yield the best results. Learning a foreign language offers a unique opportunity for cooperative endeavor between children and adults. The nature of language learning is such that it is one of the few experiences where chicos y grandes (kids and adults) can learn together at the same pace, and where adults may again feel like children. It is never enough to emphasize the importance of an Audio CD for any foreign language program. No language can be learned without listening to its sounds, the inflexions of the voice and the way a native speaker blends these words together. Therefore, the Audio CD is an inseparable part of this method. Why wait any longer and buy a \$50-\$100 course, when you can invest \$14.95 and learn a universal language that has become as great of importance as English. A Childs Education is Priceless....How much is your child worth????.....Invest in him/her today!!!!!!.....SpanishforKidsCD.com Track List Lesson #1 - Simple Ways to Meet & Greet in Spanish 663kb / 3:23 Lesson #2 - Verbs, Nouns, & Pronouns 1.25mb / 4:48 Lesson #3 - Subject Pronouns 1.75mb / 4:41 Lesson #4 - Test & Review 27kb / 04:54 Lesson #5 - Questioning & Answering Various Greetings 27kb / 04:47 Lesson #6 - Ways of Saying Goodbye 27kb / 02:49 Lesson #7 - Putting It All Together 27kb / 08:24 Outro Tags: learning spanish for kids
