ROCK: Modern Rock, ROCK: Acoustic Details: Ex-Muler frontman/singer-songwriter David Baumgartner (vocals/guitars) joins up with local Rochester, New York band-mates Dan Braun (ex-Scary Chicken) on drums, Matt Brauch (lead guitars/keys), Rob Hopkins (bass), and Daniel Smith (lead guitars) to form The Bird Circuit. Numerous self-released EPs and full-lengths have led them to their latest LP Mercurochrome for Anabel Records (Roch. NY). A diverse pop-rock formula of straight ahead guitar-driven rockers sprinkled with instrumental acoustic feelers has made them a live act to remember since 2000.
