Danger Loops SUDDEN TRANCE sample library created to provide music producers with professional quality sounds at fantastic value for money. This Series maintains Zero-Gs tradition of virtuosity, value and variety. SUDDEN TRANCE fuses the energy of modern dance, trance and electro into a complete one-stop production solution. Like other Danger Loops libraries it offers good value for money and inexpensive route to some decent sample content for the fledgling dance/trance producer. A full spectrum of club-oriented drum and percussion loops, intense instrument hits and loops, filter-friendly synth sounds, production effects and much more await your creative direction which together with the diverse construction kits contained in this library makes SUDDEN TRANCE a veritable sonic arsenal that will keep your productions at the cutting edge of dance music. This fantastic library comes in multiple formats that should suit every music producer.
