!!! FREE Bonus \$\$ Buy One Get One FREE \$\$ FREE Bonus !!! How To Create Your Own Attention Grabbing Promotional Videos! Who Else Wants To Create Attention-Grabbing, Eye-Blinking Videos That Make Other Product Owners & Affiliate Marketing Jealous? Closely Guarded Videos Reveal How You Can Swipe Any Niche With Powerful Promo Videos! This video series is packed with quick shortcuts that will save you time, with high quality and detailed methods that you'll be able to use for years to come. ===

FREE BONUS - Plus you get to choose a FREE Bonus Gift from any product I have in my Tradebit Store! {One of equal or lesser value.} Here are the six videos..

1. How To Create A Promotional Video Plan In this video you will learn the different types of promotional videos that are used. Yes, there are many different types, and some are good for branding, while others are good for selling. You will also learn what softwares maybe good for you to use, to create basic promotional videos.
2. How To Create The Video Script Writing the video script is a bit similar to writing sales copy, but it's not in the same order. There's more detail involved including timing, visualizing and direction. Getting this wrong now can cripple your entire project. Get it right from the start and you can save yourself many hours of re-editing and frustration!
3. How To Implement A Professional Voice-Over The key is in the voiceover, which is the person talking. Having a bad voiceover will ruin your whole promotional video. In fact it doesn't matter if you add cool sound elements or visual effects; if the voice and audio quality stinks, so will your promotional video. That's just a tip you will find in this video series. In this section, you will learn how to create your own voiceovers, but it's highly recommended that you hire a professional voiceover to do this.
4. Sound Effects And Visuals In addition to the key element, the voiceover, sound and visual elements do indeed help your conversions. If the voiceover is good, and you have emotion invoking sound and visual elements, they will help greatly. In this video you will find highly recommended sites to find cool soundtracks, and visual elements on a low budget.
5. Putting It All Together We'll just as it says, in this video we're going to take everything you've learned above and put it all together. We'll look at video effects, transitions, and making sure you can synchronize the audio voiceover track, soundtrack, and the visual elements together.
6. Creating Your Landing Page In this video you will learn how to put a video on

your landing page or sales page. Should you host the video on your own site or should you upload it to Youtube? All these questions, will be answered in this video series. == For Complete Details and to view a copy of the Professionally designed Web Page like the one you will receive with this package just click on the "Download free Preview" link in the upper/left corner of this page....! = A separate page will open. ----- This Product Comes With Master Resell Rights What you can do: [YES] Can be included with other products as a Bonus [YES] Can be bundled with other products [YES] Can be offered through auction sites [YES] Can edit sales page [YES] Can sell Resell Rights [YES] Can sell Master Resell Rights [YES] Includes sales page and graphics [YES] Can add to paid membership site What you cannot do: [NO] Cannot be added to free membership site [NO] Cannot give away or add to give away sites ##### Customer Satisfaction Guaranteed! ##### \$\$\$== And Don't Forget your FREE Bonus!!!
