Irish ballad singing both in English and Irish with Traditional Irish Storytelling. Solo Album with voice and Bodhrn only. 14 MP3 Songs FOLK: Traditional Folk, SPOKEN WORD: With Music Details: Mairtin was found under a stone and brought up in a tree with many others! Of late he has been learning his trade from a wee man named Larry the Leipreachan, who is well learned in the ways of Eireanns past. Mairtin is a singing, dancing, story-telling bodhran player! On the night of full moon it is rumored he stands at the crossroads playing to the wind. He learnt his singing from many famous Irishmen such as Seamus Mac Mathuna, Danni Maichi Ua Suilleabhain and Ciaran Dwyer. Story-telling has been in his family for generations, and when Mairtins tales begin, his eyes move to the other world! thefuchsiaband.com
