Kenyan Luo accordion music 10 MP3 Songs WORLD: African, WORLD: World Traditions Details: The late Oguta Bobo (Otange) was probably one of the most loved accordion players of his time. The only other artist with such following would have been the late Anton Mito. In this collection, Bobo treats the listener to an array of styles and subjects complete with doses of comedy. This is a collector's item as there is yet to be another accordion player like Bobo. Speakers of the Luo language and others who understand it will be kept laughing through all the 10 tracks.
