Big Smith's first CD - raucous, rowdy hillbilly music from the Ozarks 15 MP3 Songs COUNTRY: Bluegrass, ROCK: Americana Details: This is Big Smith's debut. This recording established the template of the Big Smith sound and in so doing earned the band their first national attention and the respect of critics. The University of Kansas press glowed: "big smith's self-titled album is so well produced that if you closed your eyes, you would think you were lying down on the porch of a beat-up bait store in the back woods, catching a summer breeze. No flaw can be found on this album."
