Contemporary Gospel, Alternative Spiritual, Inspirational Music that is Universal 8 MP3 Songs JAZZ: Jazz Vocals, GOSPEL: Contemporary Gospel Details: Quietly known as one of the finest songwriters in the world, Rickie Byars Beckwith is dearly loved by many and for good reason. Her music makes a difference in their lives and becomes a necessary part of what "keeps them together." Her latest solo album, Pray for Me is a collection of songs performed on a beautiful Yamaha C7 grand piano at the Agape International Center in Culver City, CA (greater Los Angeles). There in the candlelit sanctuary, Rickie performed song after song until she didn't feel like singing anymore. When she finished, she gave thanks, gently kissed the piano and made her way home. Her favorite pieces are Pray For Me and As Seasons Change. She included some traditional songs (Amazing Grace, In The Garden) so that her Uncle George could finally hear her sing a song that she DIDN'T write. What we have left are intimate presentations of songs that helped to open Rickie's heart and will in turn, open yours. For those who have lost loved ones, had children grow up and away from you or are in search of something, but you don't know what it is, this CD is for you. It is also for those who want to hear Rickie alone at the piano. about the piano... Scott Bakula and Chelea Fields searched and searched until they discovered the piano gift that was just perfect for Rickie! This piano, previously owned by the Captain and Tenille now sits at Agape and Rickie wails on it every Sunday. It's her favorite instrument and when you listen to this album, you will know why. To really know Rickie, is to love Rickie. The way to meet Rickie is either through her music, or at one of her concerts. Yes, she mingles with the crowd!
