This is the kind of music that makes you feel as if you are back in time about 140 years - mix of piano, piano/vocal and piano/guitar. 15 MP3 Songs CLASSICAL: Traditional, WORLD: Celtic Details: Helen Beedle is a classical pianist, and has a Master's degree from New England Conservatory. But the musical "feeling" on this CD isn't really classical: it's AMERICANA - music that America was hearing 140 years ago that you don't hear a lot of today. And it has its own special feeling. The CD itself has been sold in National Park bookstores, at the Smithsonian Institution and at museums all over the country. And it has gotten wonderful reviews from many media sources. Helen has been featured on PBS radio stations and performed on many festivals and music series, including the Spoleto Festival of music, art and dance in Charleston, SC. Jonathan Beedle, the vocalist and guitarist on this CD is a video and film editor and producer for Acerra Group and is a songwriter and performer in the more popular vein! He can be heard on AJ Swearingen's CD, also to be found on CDBaby.
