glamour trip-hop 10 MP3 Songs ELECTRONIC: Trip Hop Details: OLEGY characterizes his own style as Glamour Trip Hop. OLEGY says: "The music should be soft as a velvet but at the same time it should be streamed repeating the grace of body lines." OLEGY likes to compose his music at night while the town falls asleep and in order not to loose the connection with the external world, he switches on the TV but without any sound. In his project he uses not only his own vocal but also vocal samples of other musicians.
