Freestyle and Electro Breaks meet Trance 13 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Trance Details: Tears of Technology releases the Extended Play CD Entitled "Free To Be Me" June 1st 2006 (New Orleans, La.) - 504 Productions presents a new CD release from Tears of Technology. All new material with radio mixes, and club mixes of four new tracks. The CD contains the new hot Electro-Breaks track entitled "Make the Beat Drop". Vocoder rhymes help give the listener a better perspective as to who Tears of Technology is. Staying true to the Old School, TOT reminds us that it is about the music, not the image... The release features the vocals of Serenity on the title track "Free To Be Me" and "Higher Ground". Serenity is from South Carolina. Her soothing angelic vocals fit seamlessly with the musical mind of Tears of Technology. This release also features the song writing skills and vocals of Angel Moreno on the song "Getting Over You" from the forth coming album "Time Will Tell". Angel teamed up with TOT to bring you a fresh hot new sound for the dance scene. The Ep features 5 mixes of this awesome club track. Angel Moreno appears courtesy of Real De Zula Records, realdezula.com. The Extended Play CD Entitled "Free To Be Me" was released June 1st, 2006
