This loops was created by professional producers from USA and Europe. These drum loops were parametrically equalized and compressed. All loops are ACIDized, this means that they sync to any tempo. All is 100 original and ready to use.

Specifications: - 100 Acidized Dirty South Drums - all parts are separately rendered - Wav 44.1kHz/16 bit - automatically sync to your chosen Bpm - All loops are Royalty Free Note: This sound pack is electronically delivered so once the purchase is made you will get an email with download link. HexLoops.com Acidized is a term used for loops which have tempo and pitch data attached to the file. This is how the program Acid reads the file and is able to mix different loops of different tempos to sync in the program. They can be used in any program, 001 does not read the acidized part so it just gets imported as a wav file.
