Electronic - Ambient - Chill and soundscape themes 8 MP3 Songs ELECTRONIC: Ambient, NEW AGE: Ambient Details: DigiTube An electronics and music hobbyist from the early age of 10. He played piano and various keyboards in at least ten bands and various muscials. Scott took his two loves (music and computers) from back in the early eighties and began a Midi studio. Working as an electronics technician and repairing keyboards and amplifiers for a local music and gigging nights left little time and money for any music composition hobby. Then came marriage, kids and the music and computers were put on hold. Until about four years ago. He and his Dad and some friends built a sound tight control room and vocal booth. Scott has finally began realising his dream of combining his two hobbies computers and music. Now using the latest home made computers, electronics engineering career and DAW software, VST plug-ins and outboard gear. Abby Way Studio was born AWS. Named after Scott's 1st dog Abby and the street ending in Way. Enjoy some original compositions video productions comming soon....
