Electro-avant garde-space-jazz. 12 MP3 Songs JAZZ: Weird Jazz, JAZZ: Free Jazz Details: Ohne 4 gespielt drei: debut electro-avantgarde-space-jazz This is the first CD of the award-winning band 'ohne 4 gespielt drei' musicians: Katrin Scherer_ alto baritone saxophone, bass clarinet, electronics, composition Sven Decker_tenor saxophone, bass clarinet, electronics, composition Bernd Oezsevim_drums, percussion The band with the strange name Ohne 4 gespielt drei was rewarded with the jazzwerkruhr Prize in 2005. The actual debut-CD was published in April 2006 on the renowned label jazzhausmusik. With 2 saxophones and one drumset, the 3 musicians play in an exceptional instrumentation. Sven and Katrin write the music for this band, and they work with electronic sounds additionally, to give some additional colour to the music. You cannot assign the music to a special jazzstyle. The music just reflects the individual musical experiences and influences of Sven, Katrin and Bernd. The music impresses the spirit of age, and is far away from the traditional jazz. Within Europe, the CD can be ordered via Katrins website: katrinscherer.de You can also sent an email directly to: info@katrinscherer.de
