

Mp3 The Whore Moans - Watch Out For This Thing

[DOWNLOAD HERE](#)

Aggressive trashy punk, and precision power pop. Clever hooks and intelligent songwriting from Seattle, Washington. 10 MP3 Songs ROCK: Punk, POP: Power Pop Details: The Whore Moans are a rock "super group". Individually we are all very famous men. Together we play souped up garage based dirty smut-rock, that attempts to cream jeans, and mutilate dance floors with the involuntary gyrations and spasms of anyone who stumbles into our line of fire. It's for the kids.
