New age meditation and healing music ambient and soothing. 17 MP3 Songs NEW AGE: Ambient, NEW AGE: Meditation Details: Larry Seyer is a 9 time Grammy-award-winning producer, engineer, and musician who has been playing music since he was a single digit midget. Having recorded with everyone from George Martin to George Strait as an engineer he is well versed in both recording techniques and musical styles. As a musician he is often called upon for recording sessions in his hometown of Austin Texas. As an engineer his recording credits number in the hundreds. Many of them are listed on his web site at larryseyer.com Larry owns his own recording studio and his own record company (SPACEMUSIC.COM) A native of Oran Missouri, Larry moved to Austin in 1978 and worked with various local bands while also working in recording studios as a producer-engineer. In 1986 Ray Benson of Asleep At The Wheel invited Larry to work on their 10th album. This was the beginning of a long-standing professional relationship between Ray and Larry and continues today. To date, Larry has worked on no less than 15 Asleep At The Wheel albums since then.
