

# Mp3 Port Said - Traveller's Companion

[DOWNLOAD HERE](#)

The music is electro-acoustic, exploring rhythms and melodies which evoke a fantasy of faraway places and pleasurable mind trips. 7 MP3 Songs ELECTRONIC: Soundscapes, NEW AGE: Ambient Details: This release is the first that features the duo alone in the studio. "Trail of the Sphinx", from the 7" single, was made into a video featuring Middle Eastern dance and Egyptian locations and was seen in Sweden, Japan, Germany, San Fransisco and New York, among other places. "Countdown to Midnight" was featured on the elaborate double cassette compilation "Film Noir - American Style" from Ding Dong Discs in the Netherlands. Many top underground artists from Europe and the US were to be found on this release. "The production and musicianship are strong, creating pleasurable listening." Sound Choice Fall 1985
