Your music has the purity of Love running through it and when I listen to it my heart just naturally opens. Than you again for your music. Please keep it flowing. Eldonna from Portland We went to Mt. Shasta to take a walk in the mountain snow. That was great enough, but also we put your CD in the car and cranked it! The CD sounds so great...we were both so moved...listening to your heart song and looking at the vistas. Perfection! Barb from Ashland
