The series has been created especially for Motion Picture advertising. Our first volume, featuring the music of Tom Salta, focuses on the Action, Adventure and Suspense genres. Tom Salta is a prolific and multifaceted composer, most recently known for his award winning music in the world of video game scores. He creates engaging, high-energy music that blends an epic orchestral sound with hard-driving percussive elements. Some of his video game scores include Tom Clancys Ghost Recon Advanced Warfighter, Need for Speed Underground 2, Red Steel and Cold Fear. Tom also records under the solo artist moniker - Atlas Plug. Atlas Plug focuses on breakbeat, drum bass and electronic styles, while still incorporating some of his orchestral signature. His debut album 2 Days or Die has the distinction of having every song from the record licensed for a film, TV, trailer or video game use.
