Add a splash of bayou water from Charlenes Cajun roots and you have an exciting evening of memorable melodies and expressive soul. Charlenes love affair with music began almost before she could talk. Her salty style of rugged, racy vocals evolved naturally from her years of training in high school and college where she majored in music. Impressed by the dramatic application of music in theater and opera, Charlene captured the ability to deliver a lyric from the heart where the soul meets the melody. While touring with G.G. Shinn and other renowned Louisiana artists, lead singer Charlene Howard has experienced the spotlights in Las Vegas casino showrooms such as Ballys MGM, the Flamingo Hilton, Tropicana, Palace Station, and others. As background vocalist in the studios of South Louisiana, Charlene has recorded: Junior Wells The Best Of and Everybodys Getting Them Some which also featured Bonnie Raitt, Sonny Landreth, Carlos Santana and the legendary White Trash Horns; Maria Maldaurs Fanning the Flames featuring Huey Lewis, Ann Peebles and Mavis Staples; and Larry Garners You Need To Live A Little. Soundtracks for other local artists include Anders Osborne, Gregg Martinez, Joe Douglas, Andy Smith, Kenny Wayne Bobby Charles. At home in Lafayette you can see her perform regularly at many different venues such as Club 307, City Club of Lafayette, and many others.
