Formed in 1990, this Native Rock band has roots deep in the heart of Indian Country. They have debuted from the Apache Territories of the Southwest as part of MTVs Street Party broadcast. 11 MP3 Songs WORLD: Native American, ROCK: Rock Roll Details: MAKOCE WAKAN... "Makoce Wakan is unlike most commercially available releases today. This album consists of 11 delicately crafted mini operas resulting in an intense spiritual collection. Robby and Red Thunder's creation of expressive "Native Rock" symbolizes deep beliefs and passionate views. This disc screams out originality and inspiration with thought provoking songs..." - CD Review / The Editors Choice Red Thunder conveys a message all over the world. Robby lays his own penetrating songs, drawn from the imagery of his people for celebrations and cautionary tomes like The Prayer Song or Heartbeat. - NAVAJO TIMES Combining contemporary music with traditional, Red Thunder makes some powerful magic. The mixture of modern and ancient instruments makes for a heart-stirring aural experience. - Album Network / totallyadult For more information please visit robbyromero.com
