Ambient, introspective and meditative music set to the natural sounds of Costa Rica. 8 MP3 Songs NEW AGE: Ambient, NEW AGE: Nature Show all album songs: Morning On the River Songs Details: The eight compositions on this disc wonderfully interweave the natural sounds from a variety of habitats in Costa Rica with music that paints the moods and emotions those places evoke. Drawing on the sounds of indigenous musical instruments from around the world, along with those of more traditional instruments, composer Kevin Gerzevitz has created a genre defying collection of musical compositions that surpasses in depth and complexity what usually goes by the name "new age." Kevin Gerzevitz is a pianist, composer, and teacher living in Marin County, California. A 1990 graduate of the University of Michigan School of Music, he has worked in the San Francisco Bay Area since 1991, performing on the piano, accordion, bass, and keyboards, and also scoring music for independent films and children's CD-ROM games.
