

Mp3 Rod Degeorge - Cosmic Playground

[DOWNLOAD HERE](#)

Instrumental rock with classical, fusion and world music influences. Virtuoso musicianship with arrangements ranging from symphonic rock and driving fusion to country funk and techno influenced rock. 11 MP3 Songs ROCK: Experimental Rock, ROCK: Avant-Prog Details: Rod has been a full time musician for over a decade and has endorsement deals with Gibson Guitars and Dunlop Guitar Accessories. He currently performs 3-5 nights a week throughout the northeastern United States. Along with performing, he also keeps busy in his home studio. His original compositions, as well as his production and arrangement skills, have been used by The United Way, The United States Census Bureau, local cable programming and most recently, featured in the film Butterflies in the Wind. He has also done session work for many musicians, including Craig MacGregor, former bassist for the 70s platinum selling band Foghat. His songwriting abilities have gained the interest of artists from Sony and Motown Records as well as labels in Canada and Australia. Rod has been described as, One of the most talented songwriters in the area by Berks Alive and A local legend, a brilliant guitarist as well as a fine songwriter by the Reading Eagle. Here are some other words used to describe his music and playing. "THEN THERE WAS ROD DEGEORGE'S LEGENDARY PLAYING THAT I'D HEARD SO MUCH ABOUT AND FINALLY GOT TO SEE, YES, HE'S AS GOOD AS THE RUMORS AND THEN SOME. Cindy Ruttolo-Dietrich, PA musician "DEGEORGE'S GUITAR WORK IS NOTHING SHORT OF MAGNIFICENT AND HIS SONGS HAVE INTERESTING AND INVENTIVE CHORD STRUCTURE CHANGES"-Jim Speese, Reading Eagle People who are interested in Joe Satriani Steve Vai Dream Theater should consider this download.
