Plante's creative project "Cantos de bandonen" comprises of fourteen original impressionist tango works, inspired by his travels throughout Argentina. His profound interpretations are accompanied by the vibrant musicians of the Racines String Quartet. These delicate arrangements capture the true spirit of the tango: lyricism, nostalgia and passion. THE PRESS LE DEVOIR, 13/01/2006 Plante plays bandonion with inspiration. His impressionist tango express a variety of intimate emotions, treated with fineness. RADIO-CANADA, ESPACE MUSIQUE, 12/03/2005 Denis Plante found his place in a musical genre where it is difficult to forget the great shadow of Piazzolla. Playing the same instrument as the Argentinean master, Plante successfully created its impressionist tango. People who are interested in Dino Saluzzi Astor Piazzolla should consider this download.
