

City Lake Ambience With Geese And Traffic Sfx Sound Effect

[DOWNLOAD HERE](#)

This stereo sound effect is a recording of a lake in East London. There is a low rumble of the city in the background with the geese a bit closer to the recordist. There is a car passingf closely about halfway through the file. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
