(60 Minutes)Tempress Video Magazine was created for those who appreciate the beauty of the well rounded, sophisticated urban woman. Models with not only pure elegant beauty, but brains to match. Viewers follow along and witness a day in the life of an urban super model, from makeup and hair along with wardrobe selection to showing the skills for some of the sexiest poses you will ever see. Shot in our downtown Los Angeles penthouse studios these women work it for the cameras like no other! Our beautiful host Rhavin Reneau interviews all of the models to get their most intimate secrets of what turns them on about the modeling game. We end the day with expert photographer Rick Reynolds as he shows how he transforms the raw photos into flawless masterpieces with his special section on Photoshop touchups. Don't forget to check out the final portfolio of pictures in the special features section of the DVD. Tempress Video Magazine is the new symbol for sophisticated urban beauty, so sit back, relax and enjoy.
