"Step-By-Step Video Tutorials Reveal How You Can Quickly & Easily Protect Your Commissions From Petty Hijackers, Look 10X More Professional, And Instantly Increase Your Affiliate Profits By 600 Or More... Guaranteed!" If you'd like to easily boost your affiliate earnings by up to 600 or more (starting today!), without having to spend hundreds of dollars on those expensive make money with affiliate programs eCourses or software programs, then this might be the most important letter you'll read this year. My name is Gabriel Aguinaga. I am not a professional copywriter that gets paid thousands of dollars, nor am I one of those gurus or even claim to be one! I am just a regular 22 year old college guy with one tiny addiction... I love to work-at-home... but more specifically, I love selling other people's products and collecting large affiliate checks sitting right in front of my "eMachines" PC :-). Now that you've gotten a feel for who I am, I wanted to share one tiny little secret with you. You see, for the past two months I have been using a simple technique that has increased my affiliate earnings by 600. It is a technique used ONLY by professional affiliate marketers (most paid \$97 to learn this technique) and for the first time ever, I have dared to reveal how anybody can apply this amazing system to their own affiliate marketing... for FREE! You'll literally want to slap yourself once you realize how much money you have been leaving on the table. I am referring to the large amount of profits you have been losing because you have not been encrypting your affiliate links... The Right Way! Sure, everybody and their dog can encrypt an affiliate link, but only those using "advanced encrypting" are noticing 600 more sales. How does a 600 more affiliate sales, just by changing the format of your affiliate links sound? Amazing, Right?! I know you are eager to learn more, but before I give you the whole scoop Allow me to quickly point out 3 ways you're losing money with affiliate programs right now. Affiliate Sales Booster Convert Your "Ugly" Affiliate Links That NOBODY Wants To Click On, Into Cash-Cranking Click-Magnets That Literally Force Prospects To Visit Your Affiliate Page... And BUY!
