Deep rich intelligent soulful pop-rock-folk-feel better blues. 10 MP3 Songs POP: Folkly Pop, ROCK: Americana Details: Julie Frost is a powerful live performer. Her moody folk rock has been compared to Jewel, her red blooded scat blue to Fiona Apple. Frost has captured the affection of audiences and critics alike. Her debut album, "The Wave" produced with noted producer and guitar player Danny Shaffer contains song arrangement ranging from sparse and haunting to full on pop rock. Her songs have charted all over the country, Frost is an award winning producer, was a finalist in the Singer/Songwriter category of the Independent Music award, and was one of the few selected to receive an honorable mention in the John Lennon songwriting contest. Chicago's own WXRT named "The Wave" one of the top 5 CD's released in 2001. In 2001, with a decade of experience, Julie founded "Happy Child", a music and movement studio serving Chicago land families. Bringing her melodic expertise and rock and rock sensibility to family music, Julie recorded and produced "Happy Child Music", and with her company she produces concerts, CD's, classes, teacher trainings and outreach programs, reaching children nationwide. When not writing, singing, and playing, Julie is currently recording her second "grown-up" album "Summer in Heaven", and her second kid's CD, "Happy Child Music" CD.
