This version combines one of North Carolina's most promising emcees with that vintage hip-hop sound that 9th Wonder has become known for, creating what sounds like an entirely new project. If you slept on Kaze "Spirit of '94" the first time around, here is the wake up call. Also contains a version of the track "Soul Dojo", not found on the original or available on 12" vinyl and "Last Laugh" which was previously unreleased. (Does not include 7 of the songs found on the original.)
