Poetry - sensuously recited over neo-soul music. 23 MP3 Songs SPOKEN WORD: Poetry, URBAN/R&B: Soul Details: A celebration of "the good side of love, because there ain't no bad." Love poetry skillfully and sensuously recited over smooth neo-soul with touches of hip hop and jazz music. A collaboration of top Bay Area poets is now available in more than just coffee house pulpits. Ricardo Love synergistically combines these gifted poets with melodic and rhythmic tracks that make two elements one. Rave reviews at pre-release gatherings. Major record company quality has been achieved from a small independent company release: All In Love Creations. Introducing the Poets: Cassandra, Indigo, Kinara Sankofa Featuring Producer, Musician and Poet: Ricardo Love (contact @ ricardolove1@yahooweb site ricardolove.4t) oh my, where do, how do we begin to answer the questions, we know you've been wondering, how, why, when, who's that and where this all begin...how do they blend and all fit in? now these words are frosting on the cake, the tip of the iceberg, it really can't be explained with mere words... this all started with a man that had a vision and guitar strings, who asked a lady with a pad and pen to join him in expressing this love thing...she asked the lady with the box under her bed to share some of her love stories she had floating around in her head...she said, i know this brother that is regal, but i gotta tell ya! the way he puts his love down with a pen and pad maybe illegal... listen up and listen well, because we've all got our stories to tell...
