About the Artist: Seay(pronounced say) is an exciting new artist with an extraordinary vocal style and music, based in Nashville, Tennessee. Sensual, evocative, visionary, are some of the characteristics that makeup her mystique. Blessed with many gifts, Seay is a Recording Artist, Singer, Composer, Producer, and Visual Artist. Her voice can be heard on records in Europe and America and recently her visual retrospective of music's pioneers: "The Power Of Sound" at DreamWorks /Universal in Nashville. Raised in a Renaissance environment, her parents encouraged her artistic and musical pursuits. Her early childhood years were also spent in the army, which led her to Korea and Japan, and later in college, studies in Spain and at the prestigious Sotheby's Art institute, in London. "I've been blessed to have lived and worked in other parts of the world which has given me a unique perspective." Considered incredibly unique by Nashville's standards her place of residence for the las several years, her Engineer Don Scott Hare, whose credits include Shania Twain, and Reba MacIntyre says, "Imagine a great songwriter, throw in an interesting sound with the vocal chops of any great singer out there and you have a very special

artist." A listener review, called her "real and true, a sensual and unique voice that illustrates a song like it was a painting".
