SILENT NIGHT, BLOODY NIGHT The mansion... the madness... the maniac... no escape. MOVIE - 1974

RUN TIME: 01:25:02 Wilfred Butler (Philip Bruns) has come home for the first time since he purchased the house for his wife and daughter. His Wife has mental issues and he has turned the Mansion into a mental hospital and employs Doctors and nurses. The day he returns, he burns to death in the front yard.

The Police and Coronor say the cause of death was accidental. Twenty years later, the house is up for sale. The News travels through the region and the same day a Mental Patient breaks out of the local Insane Asylum. Can the death of Wilfred Butler be connected to the escape? Was his death an accident?
