Details: When I decided to record a Christmas album, I wanted the songs to be fresh and different, not just standard arrangements. So I sat down at the piano and played whatever came to me at that moment. The songs came out in a very improvisational way, with my own music mixed in. The CD winds its way through many styles including New Age, Pop, Jazz, Funk and others. It also includes an original song, "It's Christmas Time", sung by Amthyste (go search for her on CD Baby). If you're a fan of piano music, Nol is the perfect backdrop for the holidays.
