Progressive country with a soulful southern undercurrent. 6 MP3 Songs in this album (23:11) ! Related styles: COUNTRY: Progressive Country, COUNTRY: Country Blues People who are interested in Toby Keith Pat Green Jack Ingram should consider this download. Details: Mark Kellers seasoned vocal style was developed through years of singing in rowdy bars where he had to command the attention of a lot of noisy drunks. Having grown up in Oklahoma and touring the Southwest with his band from the age of seventeen, Mark paid his road dues early. His talents eventually took him to writing and producing music for television commercials, documentaries, and feature films, but hes never lost his passion for shaking the walls with a 4-piece band. The Pickups include Jerry Cortez on lead guitar, Tim Eschliman on bass, Annie Stocking on vocals and percussion, and Lorelee Christensen on vocals.
