

# Mp3 Reyo - One Song

[DOWNLOAD HERE](#)

"Reyo has an easy vocal styling with a raw edge. He captures powerful lyric images and sings a spectrum of emotional songs, somewhere between a dream, a broken heart, and the west side of Manhattan" - NYC Press 7 MP3 Songs POP: Power Pop, URBAN/R&B: R&B Pop Crossover Details: Dominick Reyo was born in the Throgs Neck section of the E. Bronx. He began songwriting and performing music in high school and landed his first job in the music industry working for Kevin Gavin Productions, the jingle company that helped create the YOU DESERVE A BREAK TODAY campaign for the McDonalds Corporation. He's also worked for Cimmelli Inc., a film effects company whose film credits include The King of New York starring Christopher Walken, and The Paper directed by Ron Howard. Dominick has won several ASCAP Pop Music Awards and had his music performed in songwriter circles around NYC, such as The Songwriters Guild Foundation, BMI's - Collaborators Connection Showcase and the National Association of Pop Music. For more information regarding his complete song catalogue and live performances - Go to: reyo-sunor contact Reyo-Sun Productions at : [dcg627@netscape.net](mailto:dcg627@netscape.net)
